Hub Size: 1-1/4" - 7 Threaded

Bond: Hard Aggregate, Heavy Rebar, Faster Speed

RED BEAVER - HIGHEST QUALITY - V GROOVE ! CROWN RIM .400" Segment Height, 14" Useable Length

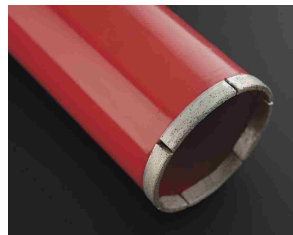

- MORE POWER AT THE TIP
- **V-GROOVE SEGMENT** - eliminates bit walking during hole start & fastest corinng
- **CROWN RIM SEGMENT** - design with small gaps to prevent the bit from snagging on pre-tensioned cables or wire mesh, also allows water to escape and keep the core sharp and cool
- Fast drilling bond with excellent life through heavy reinforced concrete, hard aggregate
- Outperforms and Outlasts
- **DP HD Orange & any Hilti Bit**
- Wet Use
- Extended lengths in stock.
