

TOOL REPAIR SERVICE

If we sale it we'll repair it! Our sales are backed up with certified factory and warranty repair departments for battery, electric, gas and hydraulic tools & equipment. Master service technicians with over 30 years experience are in house to repair your troubled tools.

If we can't fix it no one can! Pick up and delivery of repaired tools to your office or job site is no charge to you within our geographic service area. If you prefer you can drop your tools off at one of our nearest branches and we will deliver them back to you.

**BN PRODUCTS
USA**

Need parts only? Call us for those hard to find tool parts! **Bench Fee** All tools received for repairs not covered by manufacturers warranty will be assessed a bench/estimate fee as follows:

- \$20.00 - Tools valued under \$500.00
- \$60.00 - Tools valued over \$500.00

These are non-refundable fees, however, they will be credited toward the repair or the replacement of the tool for which the fee was collected. Un-repair tools will be returned to the customer disassembled or scrapped per the customer's preference.
