USA Dust Guard 100% HEPA Vacuums

HEPA Certified Vacuum - not just the filter - Approved for Asbestos, Lead Paint, Silica Abatement.

USA Engineered Uses NO electronics to keep the filter clean - *constantly* sheds dust - NO suction drop.

HEPA Filter is Protected — NO CAKING —
HEPA filter is kept clean — powerful suction maintained for longer collection times, less time lost emptying the tank.

Dewalt HEPA Filter

100% Automatic Filter Cleaning

- Air pulses the filters (2) every 45 seconds
- keeps the filters clean to maintain production

Filter is upgraded with Air Pulse Vac Bags - transforms *any* wet/dry vac into a powerful dust extractor.
