HEPA DUST EXTRACTORS FOR FLOOR PREPARATION

Div of Scott Electric • 412-605-2992

The DEPURECO Industrial Dust Extractors are the most powerful and versatile 110 volt dust extractors in the industry. Their capabilities include being outfitted with cuffs for 3" and 2" hoses to connect to almost any concrete grinder.

They feature heavy gauge steel tanks for durability and the Jet Clean® Filter Cleaning System, developed by DEPURECO: ensures rapid and efficient cleaning *on the outside of the filter*, extremely easy to use, filter is effectively cleaned *without interrupting vacuum operations*.

HIGHLIGHTS:

- ★ Powerful suction from a 120v, 20A circuit without tripping the breaker.
- ★ Jet Clean Filter Cleaning - cutting edge filter cleaning system by DEPURECO.
- ★ Largest filter surface area prevents premature filter blinding: XM35 (5,425 in²) XM100 (3,800 in²).
- ★ M-Class H14 HEPA Filtration - highest filtration efficiency to can get: 99.995% @ 0.18 micron.
- ★ Longopac® Collection & Disposal System - material is bagged directly into a durable plastic bag without touching it.
- ★ 3-YEAR WARRANTY - when a pre-filter is purchased with the vacuum.

Model: XM35 H JC LP

\$2,990.00

120v, 230 CFM, 94" H20

Model: XM100 H JC LP

\$4,190.00

120v, 345 CFM, 94" H20

TECHNICAL DATA:

MODEL: XM35 H JC LP — Single Phase, 2-Motor

- Voltage | Power: 120 volt, 15 amp, 2.7 HP
- Motors | Type: 1000 Watt (2) | By-Pass (Ametek)
- Air Flow: 230 CFM
- Static Lift: 94" H20
- Filter Cleaning: Jet Clean®
- Filter Surface Area: 5,525 sq inches (pre-filter)
- Collection Capacity: Longopac®
- Inlet: 3"
- Dimensions: 23.03" x 21.46" x 54.92" (h)
- Weight: 99 lbs.
- Included equipment: 2" x 16' hose, 2" and 3" hose cuffs, 2" S-Bent Wand, 17" Floor Brush, (1) Longopac® bag (65.62').

MODEL: XM100 H JC LP — Single Phase, 3-Motor

- Voltage | Power: 120 volt, 17 amp, 3.3 HP
- Motors | Type: 800 Watt (3) | By-Pass (Ametek)
- Air Flow: 345 CFM
- Static Lift: 94" H20
- Filter Cleaning: Jet Clean®
- Filter Surface Area: 3,800 sq inches (pre-filter)
- Collection Capacity: Longopac®
- Inlet: 3"
- Dimensions: 26" x 31.5" x 58.65 (h)
- Weight: 154 lbs.
- Included equipment: 2" x 16' hose, 2" and 3" hose cuffs, 2" S-Bent Wand, 17" Floor Brush, (1) Longopac® bag (65.62').
