Battery Power PAPR

No Hoses, No Restrictions

No Fit Test ! Beards Allowed

Lightweight, Low Profile

Hard Hat PAPR's

100% Mobility

All-In-One Protection — without hoses:

- > Respiratory, Hearing, Face, Head
- > Retractable Visor - clear face shield

Not Everyone can use a Tight-Fitting Respirator

A Tight-fitting Respirator (any respirator with straps) requires the following:

1. to breath through a filter which causes our lungs "to work" *which may lead to over exertion which may cause injury and even death*
2. pulmonary function test which shows the condition of our lungs
3. zero facial hair - not even a one day beard!

Battery PAPR's "Give You Air"

– Eliminates Breathing Resistance –

PAPR 3000 - \$1,290.00

#PF3000-H2SB-03
Hard Hat w/ Elastic Chin Cover

- * 7.7 CFM, 25 APF Rating
- 5 Battery Life / Charge
- 1-available filter: HEPA HE P100 (dust - lead paint protection)
- Weight: 1.9 lbs.

PAPR ESM+ - \$1,759.00

#PR05814-V-0A1
Hard Hat w/ Shoulder Hood

- * 8.2 CFM, 1000 APF Rating
- 7 Battery Life / Charge
- 2-available filters: HEPA P100 or Combination HEPA P100, Vapors, Acid Gas & Odors - Weight: 3.3 lbs.
- Advanced LED's + Audible Warning

* Both models provide almost twice as much air than what we can consume (4.0 CFM). The excess air provides a cooling effect to help reduce body heat, improve safety & production – also the key to prevent the visor from fogging.

APF Rating (Assigned Protection Factor) — corresponds to the protection rating of any respirator. Highest available APF is 1000. APF of a N95 paper dust mask: 10.

3+ Discount Price + Free Shipping

PAPR 3000 - \$1,199.00 ea
PAPR ESM+ - \$1,635.00 ea

Each PAPR includes: (2) Batteries, Charger, Ratchet Suspension
HEPA Filter, LED's to show low battery and airflow warnings.

Wide Vision Visor - provides perirhinal viewing
Impact resistant, anti-scratch coating on inside & out.

Average battery life: 3 years.

PureFlo PAPR 3000 Hard Hat	Replacements
PF3000-02-002: P100 HEPA Filter, 5 Pk	\$ 220.00
PF3000-04-004: P100 Pre-Filter + Odor, 50 Pk	\$ 79.00
PF3000-03-046: Storage / Carry Bag	\$ 65.00
PF3000-03-054: Replacement Neck Cape	\$ 57.00
PF3000-04-001: Air Defenders, Ear Muff, NRR 22	\$ 32.00
PF3000-03-003: Rechargeable Battery	\$ 109.00
PF3000-03-047: Battery Charger	\$ 219.00
PF3000-04-022: Visor Protectors, 4 pack	\$ 22.00
PF3000-04-004: Odor Nuisance Pre-Filter, 50 Pk	\$ 79.00
PF3000-03-022: Tychem Hood / Visor, 10 Pk	\$ 580.00

* APF to 1000 with the Tychem Hood plus the hood protects the helmet & visor when applications create excessive dust and debris.

PureFlo PAPR ESM+	Replacements
PRO2020SP: NIOSH HEPA Filter, 8 Pk	\$456.00
PRO2026SP: HEPA HE / HF / HC Filter, ea	\$116.00
PRO5806SP: Rechargeable Battery (2 required)	\$133.00
PRO2040SP: Battery Charger	\$221.00
PRO2510P: Premium HD Visor Protectors, 4 Pk	\$114.00
PRO2545P: Economical Visor Protectors, 6 Pk	\$ 25.00

Tinted Lens Covers available - see website for pricing

3000 Welding PAPR

Battery Power Air Purifying Respirator

Lightweight, Low Profile, Modular Design

All-In-One Respiratory, Head, Face
Eye & Hearing Protection

KEY FEATURES

- Identical to the Hard Hat 3000 but with a retractable welding shield instead of the clear visor
- Self-contained PAPR - ideal for protection from dusts, particulates and metal fumes including hexavalent chromium, manganese, lead and silica.
- Battery Powered – No Hoses. Provides 7.7 CFM (we can only consume 4 CFM of air)
- Air Supplied - eliminates breathing resistance. The PAPR 3000 "Gives You Air" — provides almost twice as much air than what we can consume.
- Adjustable for many head sizes with Ratchet Suspension
- Status indicator LED in front of helmet for low battery and low airflow alarms
- P100 HEPA filter cartridge — provides the highest protection for personal respiratory protection, blocking 99.9% of particles 0.3 microns or larger including lead paint.

* Assigned Protection Factor (APF) corresponds to how much protection a respirator can provide. The larger the APF the greater the protection. Highest available APF is 1000.

PureFlo PAPR 3000 Hard Hat	Replacements
PF3000-02-002: P100 HEPA Filter, 5 Pk	\$ 220.00
PF3000-04-004: P100 Pre-Filter + Odor, 50 Pk	\$ 79.00
PF3000-03-046: Storage / Carry Bag	\$ 65.00
PF3000-03-054: Replacement Neck Cape	\$ 57.00
PF3000-04-001: Air Defenders, Ear Muff, NRR 22	\$ 32.00
PF3000-03-003: Rechargeable Battery	\$ 109.00

PF3000-03-022 * Tychem Hood / Visor, 10 Pk	\$ 580.00

* APF to 1000 with the Tychem Hood plus the hood protects the helmet & visor when applications create excessive dust and debris.

Welding Model
w/ Hard Hat,
Auto Darkening
Welding Lens
Retractable Shield

APF Rating: 25 *

\$1,590.00 — 7.7 CFM, 25 APF * #PF3000-H2W3-03

- > HardHat w/ Ratchet Suspension
- > Retractable Shield
- > Auto Darkening Lens - adjusts to the material being welded
- > Batteries (2), Charger, HEPA Filter
- > LED's - show low battery and airflow warnings.

Uses the same batteries & filters as all 3000 Series models.

\$1,500.00 3-pc Discount Price w/ Free Shipping

APPROVALS	3000 Welding Hard Hat, Model: PF3000-H2WE-03
Respiratory Filter Type	NIOSH 42CFR84, CSA Standard, Z94.4 P100 HEPA, optional pre-filter for odor, nuisance, spark arrestor
Air Flow Rate	7.7 CFM
Weight	3.6 lbs.
APF (Assigned Protection Factor)	25
Head Sizes, Range	6-3/4" - 8"
Battery	Lithium Ion
Battery Duration	5 Hours
Recharge Time	2 Hours
