Fein Program: 3-Year Plus Warranty - Register your new FEIN product within 3 months after purchase for the 3-year FEIN PLUS warranty. Obtaining the 3-YEAR PLUS WARRANTY is extremely easy:

1. Register your new FEIN power tool online within 3 months of purchase.
2. You immediately receive a warranty certificate that entitles you to enjoy the 3-Year Plus Warranty.
3. [Click here to register your Fein tool.](#)

Makita Program: 5 - 10 Day *Expedited* Tool Repair & Service - regardless of tool life or purchase date, tools are fully inspected and, if not warranted, a repair estimate is provided. In addition to fixing the tool's problem these additional benefits are included: 1) tear down inspection, 2) clean & lubrication, 3) replacement of any worn and/or damaged parts with genuine replacement parts, 4) full performance and safety tests performed. Prior to the repair you'll receive a phone call to explain the repair and your approval. Repairs are completed in 5 - 10 days and returned directly to you.

This program is of no cost to you, includes Free Shipping labels (to and from the service facility - even for an estimate.)

To start, call or eMail: 412 - 605 - 2992, Ted.Segiel@AdvantageCSR.com

Metabo Program: 48-Hour Return on Tool Repairs - *selective* tools are fully inspected, cleaned, repaired & returned to you within 48-hours. Program includes replacement of worn & damaged parts & free shipping labels. A maximum repair cost is published for each model which could be less for minor repairs. [Click here for additional information on the Metabo program including model repair cost.](#)
