Silica Dust Control

Complete *Universal* Package

Makita *Variable Speed* 13 Amp Grinder

w/ 6" USA Dust Guard

& 5" Surface Dust Guard

Universal Dust Guards fit a variety of Angle Grinders

Tired of

Dust guards, angle grinders, hose cuffs and hoses not fitting together?

Losing proprietary connectors . . . giving up and using duct tape?

Wasting lots of time trying to make the connections?

Using expensive Hilti cup wheels?

Poor dust containment?

USA Dust Guard's "Universal" Solution

HD, Universal Dust Guards use universal hose cuffs, blades & cup wheels

We back the Makita Angle Grinders with our own Makita Service Policy:

**Free Shipping Labels to Makita Service Center for Fast Returns
on Makita Warranty & Tool Repairs**
