Poly Sheeting, Concrete Blanket Work Site Protection Contractor Clean-up Bags

POLY SHEETING

— 20' x 100', Clear

	4 Mil, #487347	6 Mil, #725716
1+ Roll	\$ 53.84	\$ 93.04
✓	Heavy-duty plastic for use in a variety of applications including dust control, abatement, excavation, landscape projects	
✓	For interior and exterior protection including a vapor barrier under concrete slabs, on top of freshly poured concrete as a curing blanket and as a temporary cover for equipment and supplies.	
✓	Rolls are packaged in a convenient box for storage and easy dispensing.	

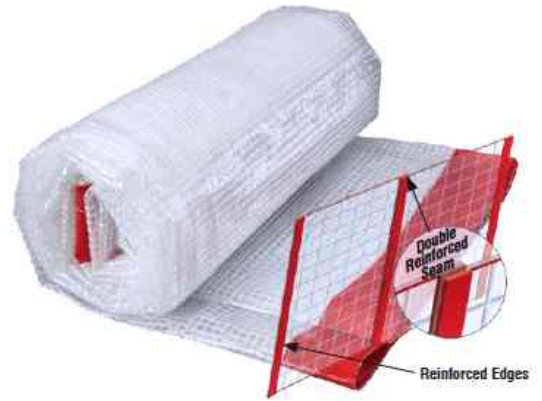

REINFORCED POLY SHEETING

— 20' x 100', Reinforced, Clear

Grip-Rite
#20100CSRF

1+ Roll: \$110.00 / Roll

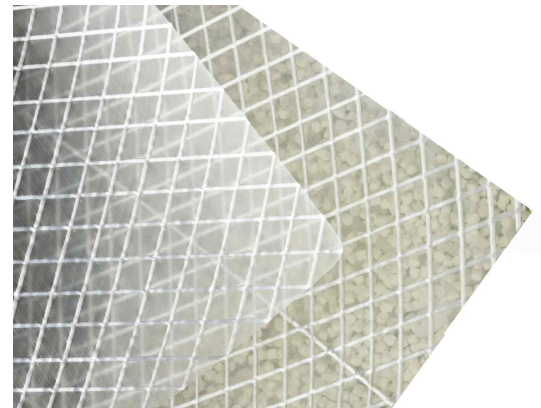

- ✓ Tear resistant scrim with double strings in machine direction
- ✓ Coating is ultra-clear with high density polyethylene (HDPE) for maximum elasticity and light emission
- ✓ Total fabric weight is 90 g/m2
- ✓ Woven reinforcing bands with perforations every 4" for easy and secure fastening to scaffolding

Raven Dura Skrim 2
#620100CSD

1+ Roll: \$130.00 / Roll

- ✓ Extra strong, American made fabric - protects work site enclosures, material, equipment, etc. from moisture, rain, snow and wind
- ✓ Multi-filament yard is laid in a diagonal pattern, spaced 3/8" apart and has an additional directional scrim every 9" across the width
- ✓ Design produces the highest tensile strength of any poly sheeting - greatly resists tears and punctures, tears are immediately surrounded & stopped!

CONCRETE CURING / INSULATING BLANKET

— 6' x 25', 2-Layer (3/8"), Foam Filled

#XR2625GR: 1+ \$52.00 Ea (3/Bx)

- ✓ Premium waterproof, closed cell jacket – fully laminated, woven polyethylene with grommets
- ✓ High density woven blanket is coated on both sides for extreme vapor retarding properties, low perm rating of 0.87
- ✓ Jacket and insulation layers are prevented from separating
- ✓ Insulation is full edge to edge design with zero insulation voids at the hems
- ✓ Grommets are spaced at 4" intervals to allow blankets to be fastened together, A+ for use on scaffold or with forms
- ✓ R-1.37, Air Gap R-3.3.

CONTRACTOR BAGS

— 42 Gallon Capacity

Frost King — 32" x 50" x 3 mil

#264789 | CB3250/20

#898649 | CB3250/50

Box (20 bags): **\$11.35**

Box (50 bags): **\$28.31**

- ✓ Great for hauling sharp, heavy trash found on construction sites
- ✓ Convenient box storage and easy roll dispensing
- ✓ Handles wood, metal, brick, mortar, rocks, dust, cable, branches, drywall
- ✓ For the toughest construction projects. Includes twist ties.

— 55 Gallon Capacity

Frost King — 36" x 50" x 3 mil

#377918 | DL3656

Box (15 bags): **\$20.25**

- ✓ Super strong, HD liners, easy fit into large 55 gallon drums
- ✓ Packaged individually for easy dispensing and quick access
- ✓ Great for waste disposal and recycling
- ✓ For residential and professional heavy-duty use. Includes twist ties.
